(05) SWOC ANALYSIS :-

SHREE KARMAYOGI BRS COLLEGE – GADU(SHERBAUG)

➤ Strength:-

1. Sufficient area of land for future growth and extension of the institution.
2. Eco-friendly, co-operative environment campus
3. The institution has dedicated teaching and non-teaching staffs
4. Wide variety of students from multi-ethnic domain
5. Achievement in sports and culture
6. Accessibility and connectivity of the institution has a location advantage.
7. The teachers are involved in social service and various programs in the area.
8. Healthy relationship between teachers and students.
9. Well-equipped library
10. Effective implementation of the curriculum prescribed by the affiliating university.
11. Curricular programs are conducted as per Academic Calendar.
12. Teaching activity is carried out by experienced and qualified teachers.
13. Lecture plus modern methods are used.
14. Cooperative friendly and healthy atmosphere
15. Discipline has been maintained.
16. Moral and value based education.
17. Semester system is in practice.
18. No case of ragging, sexual harassment, student complaint.

➤ Weakness:-

1. As per requirement, our institution has sanctioned posts but in future it recruits if we need
2. Temporary arrangement for teaching and non-teaching activity with contractual/part time engagements.
3. Limited digital infrastructure, need to create smart class, MOOC studio to record online lectures, Skill development lab to provide employability skill training, etc.
4. Since our college is affiliated under University, we follow the curriculum of the university, not our own curriculum. We would like to offer other courses also which can generate more employability.
5. Less use of modern technology.

➤ Opportunity:-

1. To provide quality education to rural/urban students. It is one of the important institutions in rural/urban area. We have sufficient land/building for and can introduce UG/PG in different subjects, digital education. By the proper facilities we can provide better employment to students and develop their spirits to nation-building.

2. Can be the guiding force towards bringing positive change in the society.
3. Suitable ambience for creating a harmonious environment.
4. Potential for research to usefulness in the path of human welfare and development.
5. Potential for extending the program “No Use of Plastics” in rural/urban areas.
6. we adopt the khera village by the event of cleanliness program
7. For widening the scope of employment & workshop can be organized. There is greater possibility of networking among the alumni. Potential for extending facilities of competitive examination preparation for rural & backward areas students.
8. New skilled courses can be introduced specially short term (Certificate)
9. Infrastructure can be utilized for some extra courses/programs (after noon/evening classes).
10. Use of Internet to reach out the global poll of knowledge.

➤ **Challenges:-**

1. **Use of Modern Technology**—Most of our students are belonging to villages and economically backward background, they are not well versed with the modern technology use.
2. **Lack of Transport Facility** – There is insufficient transport facility available.
3. **Campus Recruitment** – Gadu is a small town having no big industry therefore we cannot arrange for the campus interview except, special arrangement of campus university carried out with the NGOs.
4. **Curriculum** –Being an affiliated College, there is no flexibility to adopt new career oriented courses.

➤ **Specific objectives:-**

- **To ensure all around development of the students.**
- **To impart the value oriented education.**
- **To make them aware of environment importance and its protection.**
- **To make them aware of modern trends of education.**
- **to make them aware of indian cultural act.**
